SATURDAY PAVING ON SR-18 (BACKSIDE)

San Bernardino County – Caltrans began a paving project on June 25 on State Route 18 (SR-18) just five miles east of State Route 38 (SR-38) to Snubbing Post Road (north-east of Big Bear).

Due to material availability restrictions, the contractor will pave on Saturday, June 30, from 6:00 a.m. to 6:00 p.m. Traffic control with flagging will be necessary during the work. The location of the work is on the “backside” of SR-18 going downhill toward Lucerne and delays are expected to minimal.

The contractor hopes to finish the work before 6:00 p.m. This is the last section of paving for the project and striping will begin the week of July 9th. Normal work hours for the project are Monday through Friday from 6:00 a.m. to 6:00 p.m. The project is expected to be complete by mid-July.

This “Alert” will be updated weekly for the duration of the project. If you are interested in signing up for email distribution of this alert, please email your request to Public Affairs on our website at www.caltrans8.info and go to “CT Connect”.
